

EDGEWOOD

FEBRUARY 2005

Foundation to Announce New Officers at Annual Town Meeting February 10

The annual town meeting sponsored by the Edgewood Foundation will include the formal announcement of new officers for the foundation, as well as the traditional awarding of the William D. Limpert Award for Community Service, and a discussion of plans for beautification of the community.

The annual meeting will be held on Thursday, February 10 at 7 p.m. at the Edgewood Club. The purpose is to actively solicit ideas and input from the citizens of the borough on beautification projects as well as other projects the residents feel would be worthy of support from the Edgewood Foundation. It is an opportunity to participate in the plans for the borough for the coming year, as well as to voice your concerns and ideas to help move the borough forward.

Outgoing foundation president Lois Winslow, who is stepping down after many years in that position, will turn

over the gavel to Vaughn Busch, a foundation board member since early 2004, who will be taking over as president. Lois will remain on the board as vice president.

Amy Andrews was recently appointed to the seat left vacant by the resignation of Kathi McShane. Board member Laura Horner has been appointed secretary.

Treasurer Wolf Goethert has resigned from the board. The foundation extends its sincere gratitude to him for his years of work. Gary Mulholland will take over as treasurer.

The board has recently changed the bylaws to include nine board members, and is actively seeking nominations for the seat left by Wolf. To apply for that seat or to nominate another resident, please call Vaughn Busch at (412) 242-5345 or visit the foundation web site at:

www.edgewoodfoundation.org

Other members of the Edgewood

Foundation board are Jean Davin, Ed Cook, and Lisa Belloli.

In addition to the introduction of new foundation officers, there will be a chance to meet Edgewood's elected officials, hear "State of the Borough" addresses, become familiar with the work of local organizations, and mingle with friends and neighbors.

A highlight of the evening is always the awarding of the William D. Limpert Award for Community Service. Bill Limpert was the founding president of the foundation, and received the first award posthumously in 1991.

The Edgewood Foundation holds meetings the first Tuesday of each month at 7:30 p.m. at the C.C. Mellor Memorial Library. The meetings are open to the public, and citizens are encouraged to attend.

Meeting Schedule Set

At the annual reorganization meeting, Borough Council set the following meeting schedule:

- Borough Council will meet the first and third meeting of each month. If the meeting day is a national holiday, the meeting will be held the following day.
- Planning commission: the third Wednesday of every month.
- Recreation board: the first Wednesday of every month at Koenig Fieldhouse.
- Zoning hearing board: upon demand.
- Library board: the last Thursday of January, April, July and October at the C.C. Mellor Memorial Library.
- Council committee meetings: the second and fourth Monday of every month as needed.
- Civil service: upon demand.

All meetings will convene at 7:30 p.m. in council chambers unless otherwise noted.

A FRONT ROW SEAT: The annual borough Christmas tree burning was delayed because of the muddy conditions on the field, but had perfect Christmas card snow when the event lit up the skies on January 22.

Historical Society

Picnic Report

The Edgewood Historical Society held a picnic this fall at Rolling Water in Rector, Pennsylvania. Both young and old enjoyed exploring the nature trails, fishing in two trout streams and the pond, and grazing the excellent selection of food. Seven classes of Edgewood High School were represented. Outstanding colorful fall weather favored our event and Ligonier Days nearby.

Recording Borough History

One of the goals of the Society is to record memories of Edgewood in the last half of the twentieth century. Some of this was done some time ago. Don Black and Bill Kearney recorded memories for the Society. To activate this, I gave a program at the Edgewood Club in December. I wrote a monograph based on the 1957 Edgewood Directory. I lived at 441 Maple Avenue from 1948 thru 1968. I recounted what I could remember about the people

and houses on the 300 and 400 blocks of Maple. When I reviewed my work I was amazed how many people worked for the Westinghouse Companies. In the future panels will be formed of people who lived in different parts of the borough. Their memories will be recorded.

Soldiers and Sailors Tour

In March there will be a tour of the Soldiers and Sailors Memorial in Oakland. Many probably wonder what the inside of this architectural wonder looks like. Our trustee, David Goggin, was on the restoration committee for the exhibits and will lead the tour. Plan to meet at the new cafe of the Carnegie Museum on Saturday, March 12. Please call David Grubbs at (412) 241-2434 for information. Since parking is difficult in Oakland, it would be good to coordinate transportation.

Clarence Jones Fund

The Clarence Jones Memorial Fund continues to grow. Total to date is \$1200.

Senior Celebration Coming

Calling all high school seniors! This spring the Edgewood Foundation will once again be hosting a brunch for the 2005 graduating class. It will be held at the Edgewood Club on Sunday, May 15 and will include entertainment, a raffle and scholarship presentation. We're hoping that all members of this year's senior class and their families will plan to attend. If you are a 2005 senior (or parent of one) please call Laura Horner at (412) 41-7786 to make sure you're on the list.

Civic Association

Scholarships Increased

At the Edgewood Civic Association meeting recently, the annual scholarship awards were doubled, from \$500 to \$1000. Eileen DiPerna agreed to chair the award committee, and will send letters in early spring to all Edgewood senior students inviting them to apply. The scholarships are traditionally awarded at the annual Senior Celebration held near graduation in the spring.

2005 Borough Taxes

With 2004 behind us I would like to remind everyone that the 2005 Edgewood Borough Real Estate tax statements go out April 1. Please make sure that I have the proper address. If you have refinanced in the past year or if you are now paying your own taxes, this is something that I need to know. I receive information from the property owners only; not the mortgage companies. You should also call the Allegheny County Treasurer's office and let them know so they can change the mailing address.

2004 School Taxes

If you are making installments on your 2004 Woodland Hills School taxes, your third and last installment if due by February 28. If you forgot to make your second installment, (which was due in November) please remember that the remainder of the bill is now due at penalty. This means that you should add 10% onto the remaining amount. That is the only way that I can accept your payment. These are the school districts rules, not mine!

If you ever have any questions about your real estate taxes, don't hesitate to call me at (412)-731-0200. And remember, there are no dumb questions, especially when it comes to taxes. If you have questions about your wage taxes, please call Pennsylvania Municipal Services at (412) 829-0567. Have a wonderful New Year.

Thank you!

I would like to start off with many thanks to the local businesses for their help in making the kids Christmas party a success: Sweetie Sweetie bakery, Anna's Ravioli Board, Giant Eagle, K-Mart, Wilkinsburg Beverage, Beer World (soft drinks and chips, in case you were wondering), and Wendy's. Help those who help us by patronizing their business.

Also, I can't forget the Edgewood DPW for setting up the Santa stage. DPW gets another thanks for the great job they did in gathering and stacking the trees for the tree burn.

Fire Fighter Training

In order to serve you better, the EFD will be hosting training classes during February and March. A rapid intervention team class is scheduled for March. This trains the firefighters in the skills needed to rescue a firefighter lost or disoriented in a burning building, or trapped due to collapse of a building. A vehicle rescue class will also be held. So if you see numerous fire trucks in town this is why.

Equipment Upgrade

The department has recently upgraded our SCBA (air tanks) and portable radios. Although we did not get the Department of Homeland Security Grant, the upgrading of equipment was possible through our recent fund drive and the help of our treasurer, Dick Lithgow, crunching some numbers. The SCBA now bring the department into NFPA compliance for breathing apparatus; and the radios allow all members

Our current gear has seen 15 working fires in a three-month period and is showing some wear. We also plan on purchasing an air filling station from Forest Hills FD.

More Thanks

For those who contacted Congressman's Doyle's office, thank you. I received word from his office that citizens of Edgewood called in regards to the grant. They have investigated this and will be working with the department in the future to help us.

Police Report

Town Meeting for Public Safety

On November 19, the Second Annual Edgewood Police Town Meeting was held at the Western Pennsylvania School for the Deaf. Chief Paul Wood and Mayor Jean O. Davin chaired the meeting. Chief Wood gave a short review of the police department's accomplishments during 2004 and what he hopes to accomplish in the future with his police department. The end of the meeting was open for any questions or problems that the residents may have had. There were approximately 25 residents in attendance. We would like to thank the Western Pennsylvania School for the Deaf for the use of their auditorium and the delicious treats that they provided to the participants.

Temporary No Parking Zones

If you need "No Parking" signs posted because you are moving or getting a delivery, please let us know a week in advance. We are more than happy to post the signs for you, but in order to make sure everyone is aware of no parking in a particular area, we need time to get the signs posted.

Local Businesses Thanked

On Monday, December 6, 2004, several Edgewood businesses were hon-

ored by council for their strong support of the Crime Prevention Programs run by the Edgewood Police Department. Mayor Jean Davin presented plaques to Superintendent Donald Rhoten for the Western Pennsylvania School for the Deaf; Bob Snyder and Bill Marciniak representing Frank Markisotto of Edgewood Giant Eagle; Darylin Keene, General Manager of Edgewood Eat-N-Park; Dave Green of Sweetie Sweetie Bakery in Regent Square; and Charles Nevels and Zack Solomon of Edgewood Applebee's. No representative was in attendance from Edgewood K Mart and their plaque has been delivered to them. Certificates of Appreciation from the Pennsylvania Commission on Crime will also be handed out to other Edgewood businesses that have supported the Crime Prevention programs. We would like to thank all the Edgewood businesses that were so generous to us and continue to help to make these Crime Prevention programs a success.

Basketball for a Cause

It may be cold outside, but it will be hot inside the West Junior High School gymnasium. The teachers of Woodland Hills School District have once again challenged the local police departments in a benefit basketball game. This has become a great family event for the whole district and tickets are still only \$3. Come see the teachers and the police do battle for the third year in a row. The game will be held on Thursday evening, February 24 at 8 p.m. We hope to see everyone there and root your favorite players on to victory. Tickets will be available at the Edgewood borough building and at selected schools.

And once the local police are warmed up, there's no stopping them. See them take on our hometown heroes, the Pittsburgh Steelers in a benefit basketball game at the Woodland Hills High School on Friday, March 4 at 8 p.m. The doors will open at 6:15 p.m. Get autographs and pictures with your favorite Steelers at half time. Tickets are \$5 and can be purchased in advance at the Edgewood Borough Building and at other selected police departments. Don't miss out as we try to rebound from our loss last year. Refreshments

Police Tip of the Month

Please be sure that you keep your sidewalk clear of ice and snow during the winter months. Not only is it a courtesy to your fellow residents, but it is also a borough ordinance, subject to a fine. It will also make it easier if emergency services need to get to your home for any reason.

will be available and there will be a raffle for autographed footballs at half time.

Incident Report

The Edgewood Police Department responded to and handled 1,563 calls for service in December 2004. There were 538 incidents reported, 160 complaints received and two accidents investigated, both of which resulted in personal injury.

Part I Crimes

Part I Crimes are the more serious crimes of homicide, rape, robbery, aggravated assault, burglary, larceny, motor vehicle theft and arson. Of the 24 Part I Crimes committed in the borough, 2 were burglary, 14 were shoplifting and seven were other crimes.

Arrests and Citations

There were 10 adult and two juvenile arrests made for felony and misdemeanor violations.

Edgewood officers wrote a total of 42 traffic citations, eight parking citations and made no arrests for driving under the influence. There were four vandalism/ criminal mischief complaints and two narcotics offenses.

Borough Manager

Report to Council

This report includes the highlights of the borough manager's 2004 summary report made to borough council on December 20, 2004.

Parking

We implemented our new 3 – 5 a.m. parking system, which has lead to a significant decrease in complaints, and a lowering of our on-street parking fee by 57%.

For the first time, the borough paved parking lots this year, three of them in total, following through in its commitment to do so during discussions about 3 – 5 a.m. parking.

Grant Funding

We received applied for and received grants for:

- A new radio console system for our Communications Department
- A new movie projector for our Recreation Department, as well as new recreation equipment at a total cost of \$5,000.

We received over \$11,000 by providing documentation for the number of tons of recyclable materials collected. This year our DPW Department will have collected over 110 tons of recyclable material.

In 2004 Council authorized the application to DEP for recycling equipment and I believe we will be funded for over \$200,000.

Public Safety Investments

We purchased 1000 feet of new five-inch fire hose for the fire department.

We have transitioned to a predominately full-time police force. There have been no claims filed this year against any of our officers and none since Chief Wood was hired by the borough.

We now have replaced our entire aging fleet of police cars and have a complete fleet of brand new vehicles, which includes brand new in car video equipment for each vehicle.

Insurance

Council approved changing our insurance period to a calendar year for the first time in the borough's history. This will allow us to accurately project insurance costs from year to year.

With the strong record of safety, standards, and accountability established, our insurance rates are being lowered in 2005 by approximately 5%.

We had only eight days total lost to

injury. Our worker's compensation rates are going down and our borough rating, from our carrier, has increased dramatically in the last 12 months. The number of days lost at eight is down from the 70 lost in 2003 and the 2001 and 2002 collective total of approximately 750.

Not-So-Routine Maintenance

Borough Council authorized the Public Works Department to hot patch over one-half mile of Edgewood Avenue using 70 tons of asphalt.

We completed an \$80,000 renovation to Koenig Fieldhouse.

The borough completed the first sewage project under the consent order in Allegheny County this year. 1,200 feet of sanitary and storm sewer lines were replaced and the lower portion of Race Street was repaved at no additional cost to our residents.

Financial Planning

The borough renegotiated several contracts, most of which resulted in immediate savings to the borough including; animal services, mobile date terminal services, phones, copying machines, solid waste collection, phone equipment, auditing services, a cable franchising agreement, and tonight will vote on a two-year agreement with our building inspections company, and a one-year extension with Pennsylvania Municipal Company.

1400 So. Braddock Avenue
in Regent Square

The borough collected over \$90,000 in delinquent taxes, its highest one year collection ever.

Even though it has not sold yet, we put out a bid to sell Parcel D.

Property Maintenance

We passed the new UCC building code and the 2003 international property maintenance code.

Our list of properties with down-spout violations is now under 30. Three years ago this number was at about 400.

Dispatch

We have moved to a rotating system for our dispatch department. Call-offs are down 50%, overtime is down over 70% from two years ago, and we had three consecutive holidays where all our full-time dispatchers were off, the

first time this has happened in at least 10 years.

Police Contract

We had a successful negotiation for a new three-year contract with our police department. Borough employees will contribute to the costs of the premium and the borough will switch plans in 2005. As a result of the switch and the borough's new cash-out provision, the borough will see an overall decrease in premiums from \$227,658.10 in 2004 to \$203,456.50 in 2005, even though there will be one more insured employee on the payroll in 2005.

On The Edge

Memorial for an Edgewoodian

Donations are being accepted by the Animal Rescue league on Hamilton Avenue (Pittsburgh 15206) in memory of Maggi Painter Mansfield. A Maggi Painter Cat Cage has been named in her honor.

Maggi, the sister of Marilyn Painter of Love Place was a resident of Edgewood for much of the past 25 years. She had volunteered for the Edgewood Symphony since its inception. She was a tireless supporter of Edgewood and had many friends in the community. Maggi was killed in an automobile accident on December 2.

Schneider Named to Board

Regent Square attorney and CPA Kathleen D. Schneider has been elected as the President of Persad Center, Inc.'s Board of Directors. She has served on Persad's board for 14 years.

She is also the treasurer of the Regent Square Civic Association, a member of the Women's Bar Association and the Renaissance City Choir Board of Directors. In her spare time, she enjoys restoring her Regent Square home, cooking, traveling and is learning to play the bagpipes.

Church

Gotta Dance!

Want to learn the electric slide, or watch some awesome jitterbugging? How about showing off your "YMCA" motions, or your best Chubby Checker "Twist?" The deacons at FPCE are offering a chance for you to do all of this and more at their Sweetheart Dance on Friday, February 11 in the Social Room. Bring your sweetheart or come by yourself as we swing to the oldies or sway to the new with DJ John Yoder from 8 – 11 p.m. Admission will be \$5 per person, and light refreshments will be sold. Proceeds benefit various service projects. Come and dance the night away. (Ibuprofen provided Saturday morning!)

Boy Scout Recognition

In honor of the long-time partnership between our Edgewood Boy Scout Troop, Cup Scout Pack and the church, we will be recognizing the service work of these boys during Morning Worship on Sunday, February 13 at 11 a.m. Members of the scout groups take part in the service, and our partnership agreement will be reaffirmed. Join us as we celebrate the good work of the young men in our community.

Lenten Events Planned

Join the members of FPCE as we begin the season of Lent. We begin on Monday, February 7 at 6 p.m. in the Social Room with a Mardi Gras/Shrove Tuesday celebration a day early. Come and feast on a pancake dinner, play games, and have a cakewalk as we enjoy the last day of festivities before turning our hearts and minds to

the quiet season of Lent.

Ash Wednesday officially starts Lent on February 9, and FPCE will hold a service in the Sanctuary at 7 p.m., including imposition of ashes and communion.

The success of our Advent "soup and scripture" Bible study caused us to start it up again for Lent. We will be meeting on Wednesdays, beginning on February 16 at 6 p.m. for a light dinner of soup and bread while discussing the scriptures that inspired the music we associate with this meditative time in the church year. All are welcome.

Choirs Continue Concert Series

The Community Concert Series sponsored by the First Presbyterian Church of Edgewood continues this winter with two performances by college choirs.

The newly organized Duquesne University Singers and Pappert Chorale will present a program of varied choral literature under the direction of Christine Jordanoff. This takes place on Saturday, February 19 at 7:30 p.m. in the FPCE Sanctuary.

Sunday, March 6 brings a performance of Gabriel Faure's beloved "Requiem" by the Westminster College Concert Choir, directed by Dr. Robin Lind, with organist Dr. Elizabeth Harrison. The performance will also be held in the Sanctuary at 3 p.m.

Suggested donations for both concerts are \$10 for adults and \$5 for students. Tickets can be purchased at the door, or reserved by calling the Music Ministry at (412) 241-4613, ext. 105 or e-mailing to music@fpcedgewood.org.

FROGS Hops a Little Longer

The FROGS After-School Program has reached its one-year mark and at this point we are on a roll. There has been an alliance made with the Wilkesburg Community Ministry to help us out with snacks and dinners. This is going to be a great help since we are extending our hours a bit to

help accommodate some of the parents who were unable to participate because the hours were too short. The hours are from 3 – 6 p.m. every Tuesday and Thursday. The only exception is if the kids do not have school. We are accepting new tadpoles. Anyone who is in Kindergarten through third grade, please feel free to come and join us. There is a minimal cost of \$30 for the session; and if you have more than one child it is only \$40. We hope to see some new faces. We are also open to new volunteers. If you are able to spare a few hours either one time or every time please contact coordinator Kathy Hart at (412) 241-4613, ext. 101.

Holy Hunks!

Our women's Bible Study "Bad Girls of the Bible" held last fall was so successful that we decided to start it again – only this time we're not looking at the girls, but the "Holy Hunks!" Join us on Sunday, February 20 at 3 p.m. as we learn about those disciples to die for and patriarchs with pizzazz. Call the Church Office for location information.

Book Club Off and Running

To all of you bookworms out there: come and join us for our book discussion group. We're focusing on C.S. Lewis' book Mere Christianity. You do not need to have read the book; just come and see what we're all about. Copies of the book are available at the church. The group meets Sundays, February 6 and 20 at 3 p.m. in the Church Lounge. Call the church for more information.

For more information about any of these activities listed, log on to www.fpcedgewood.org. To be included on our monthly newsletter mailing list, contact Judy at the church office either by phone, (412) 241-4613, or by e-mail at office@fpcedgewood.org. We're always looking for more ways to become more of your community church, and we welcome your suggestions.
