

EDGEWOOD

MAY 2006

Community Day or Community Days, 2006?

Edgewood Borough Council is currently considering an event proposal submitted by the Edgewood Foundation, which would for the first time turn Community Day into a two-day event for 2006. The Foundation's theme for 2006 is "Building Community," which is being translated into a major expansion effort for Edgewood Community Days. The idea of a two-day event has been discussed by community groups for several years, but this proposal, developed by the Foundation with the help and guidance of our borough manager and Council's Community Services Committee, addresses important details such as logistics, timeline, volunteer needs, costs and separation of responsibilities.

Activities being considered under the current proposal are a picnic, afternoon-long family-friendly entertainment sponsored by the Edgewood Foundation, and the culmination of the Movie Night season with a double-header of movies under the main tent. As this second day of events is still in its planning stages, Council and the

Foundation welcome suggestions from residents about what activities they might like to see planned for a second day of Community Day. All parties involved are hopeful that this expanded event will be successful, but we need the assistance and participation of residents in order to build community even bigger and better. Let's give this a try, and see how it works.

To become involved or to submit ideas, please contact Mal Hellett (Chairperson of the Community Services Committee) at (412) 247-5202, or Heidi McDonald (heidi@heidiwrites.com) on behalf of the Edgewood Foundation.

Should the proposal be passed in its current form, the festivities would take place beginning at 2 p.m., Sunday, August 20, with the picnic and entertainment ending at 6 p.m., and the Movie Night double-header commencing at 7 p.m. Please stay tuned to this newsletter, to local newspapers, and to the borough website (www.edgewood.pgh.pa.us/) for more details as they become available.

Borough Appoints New Recreation Director

David McGuire was hired as the recreation director on April 17 by the Edgewood Borough Council. David, who is from Peters Township, began his duties as the Director on April 24 and will have the opportunity to spend a week with outgoing director James Morris to become acclimated with Edgewood's recreation programs. David earned a Bachelor of Science in sports management from California University of Pennsylvania in May, 2005.

David has spent the last two years working at the Peters Township Community Recreation Center. His exposure to programming, special events, and outreach paralleled very closely the needs and requirements of the duties of recreation director here in Edgewood.

Edgewood Borough Manager Kurt Ferguson stated that there was signifi-

cant interest in the recreation director position as over 30 resumes were submitted from interested candidates. "The process was extremely competitive and we had some very talented individuals come and speak with us," the manager said. "David clearly emerged as the person with not only the background, but the knowledge, enthusiasm and creativity to carry our programs forward."

Outgoing Recreation Director James Morris resigned in March and will be moving to Philadelphia this month to take up a new position in sales for a trade show exhibit company. He served as Edgewood's recreation director since 2002. Among his many contributions to the borough's recreation programming is the return of Monday Movie Night, a summer Koenig Field favorite.

Council Approves Junior Council Person Program

On April 17, the Council of the Borough of Edgewood passed a resolution which allows our participation in the Junior Council Person (JCP) program developed by the Pennsylvania State Association of Boroughs.

Effective the 2006-07 school year, a JCP position has been created for any student in the eleventh or twelfth grade residing in Edgewood. This project will allow one lucky student an interesting and rewarding graduation project, and will create positive exposure for the student, the student's school, and the borough.

The JCP will be "sworn in" by the mayor, will attend council and committee meetings (to the best of the student's ability) as an auxiliary member, will ask questions and monitor issues of their choosing throughout the year, and will collect information for a graduation project presentation. The JCP may not vote on issues before Council or attend executive sessions. The JCP will be mentored by a sponsoring Council member.

Interested students should submit a letter of interest to Personnel Chair Mal Hellett, 2 Race Street, Edgewood, PA 15218 by June 30. The JCP will be selected by the end of July, to begin his or her term with the start of the 2006-07 school year. The resolution and its additional documentation will be available on the borough website shortly. If there are additional questions about the JCP program, please contact Heidi McDonald at (412) 731-1526 or heidi@heidiwrites.com.

It is the hope of Borough of Edgewood Council that this program, in addition to allowing a student the means of fulfilling high school graduation requirements, that the JCP program will engender an understanding of public service with the younger residents who will someday become the stewards of our neighborhood.

Historical Society

Close-by Castle

There are tentative plans to visit the Westinghouse Castle in Wilmerding. This Richardsonian style building designed by Frederick Osterling houses the George Westinghouse Museum. It was the headquarters of

the Westinghouse Air Brake Company in its early years. There is a huge connection to our borough. The Union Switch and Signal Company was one of the Air Brake's many components. The plant was the largest industry in Edgewood. It is now the occupied by the Edgewood Town Center.

Three presidents of Westinghouse Air Brake were borough residents in the early years of the twentieth century. Herman Westinghouse, the brother of George, built a large yellow brick four square on the site of what is now called Rockwell Lane on West Hutchinson Avenue. Colonel Willard Rockwell, the founder of Rockwell Manufacturing and Rockwell Standard (later North American Rockwell), resided in that house for many years. John Miller, the next president, lived at 424 Maple Avenue.

Arthur Humphrey, who succeed Miller, lived at the corner of Beech and Maple. These three individuals are only the tip of the iceberg. Many houses were occupied by middle management and workers at both the Switch and the Westinghouse Valley, all connected by the Pennsylvania Railroad. Adding the other Westinghouse components, Edgewood was a Westinghouse company town in the early part of the twentieth century through the 1970s, when these companies as we knew them disappeared into mergers, dissolution, and other corporate dynamics.

When details are finalized there will be a notice in this column and the newsletter.

Wine & Chocolate Affair

The Edgewood Foundation's Wine & Chocolate Affair is scheduled for November 11 at the Edgewood Club. The Foundation has been holding meetings and discussing a number of ideas for this event and we would like to hear more. Have you ever attended a similar event? If so, the committee would really like to have your input on how we can make this an exciting event. If you are interested in volunteering or would just like to have some input by making suggestions, please contact Angel Lehrian at (412) 241-3623 or via e-mail at angel@lehrian.com for more information.

Appeals Campaign

By now, you may have noticed those letters in your mailbox from the Edgewood Foundation asking for your help. Last year, your donations accounted for more than two-thirds of our investment in the borough, which includes support of such traditions as Community Day, the Newcomers' Reception, the Annual Town Meeting and the Senior Brunch – traditions that you have come to expect and value. Following the recent Progressive Dinner, which was attended by more than 150 people, we are now planning a Wine & Chocolate Affair, where neighbors and friends will again be able to enjoy what we have grown to love about this borough: togetherness. The Foundation has spearheaded many projects and activities, working alone or with other community organizations, Edgewood residents, and the borough, which have added to our community quality of life and collective memory.

As you know, the Edgewood Foundation is our community foundation dedicated to promoting and enhancing the cultural, social and educational environment in our borough. All of the Foundation's work has been made possible by generous donations of time, money, talent and support from Edgewood neighbors like you and me. We hope we can count on your continued generosity to support our mission in the coming year, and hope to hear from you so that we may do the work you have come to expect. Through your tax-deductible donation, you do your part in ensuring that Edgewood continues to be a great place to call home.

Street Paving

We will begin our street paving program for 2006 in the upcoming weeks. This year we will be paving East Swissvale Avenue from Maple Avenue to Elm Street, Washington Avenue from Pennwood to 125 Washington, Locust Street from Dewey to Beech, and the Oakview Avenue parking lot.

We also will be doing some final roadwork on Short Race Street and Greendale Avenue as well. Everyone is familiar with the major sewer reconnection project that was recently completed on those two streets. The contractor placed down the binder on Short Race Street as part of that project. The borough will be placing the final 1½ inches of smooth top as part of our street contract. We will also be milling and paving on Greendale from Boyd

to Race Street. I realize the major inconvenience that has taken place with this sewer project over the last several months. We have solved a very long-term problem and in the end will have a new road.

Much Mulch

The borough is selling both leaf mulch and natural wood mulch. The \$40 charge also includes delivery. If you would like to order either please call Larry at (412) 242-2410.

Thanks to James

I would like to thank James Morris for his work here in Edgewood. He has really built up our programs and done a great job building relationships in the region. I am excited about the hiring of David McGuire and look forward to working with him as well.

Police Report

Farewell, Officer Palandro

We are sad to announce the resignation of full time officer Mark Palandro from the Edgewood police department. We wish Mark all the best in his future endeavors.

Bike Rodeo

The Edgewood Police Department will be holding their Fifth Annual Bicycle Rodeo on Saturday, June 10 from 10-12 in the parking lot across from Applebee's restaurant at the Edgewood Towne Center. There will be free hot dogs and drink provided to all the participants, courtesy of Edgewood Giant Eagle.

The Allegheny County Health Department will be on hand to check the fit of each participant's bike helmet and to hand out a limited supply of bike helmets to those who need them. Gatto's Bicycle shop will also be on hand for bike inspections and to make minor repairs to the bikes. We will also be giving away a free bike, cour-

tesy of the Edgewood Police Department. There will be free food coupons donated by Wendy's and Taco Bell given away at the event. So mark your calendars and grab your bikes for a fun two hours.

Public Safety Open House

Summer time is coming and so is our third annual Open House, to be held on Saturday, July 29. We hope to make it bigger and better this year. There will be free food and drink, games for the kids, demonstrations by your local first responders and prizes for young and old. So mark it on your calendar and we hope to see everyone there.

Activity Report

The Edgewood Police Department responded to and handled 1,636 calls for service in March 2006. There were 481 incidents reported, 283 complaints received and 14 accidents investigated, of which two resulted in personal injury, and 12 resulted in property damage.

Part I crimes are the more serious crimes of homicide, rape, robbery, aggravated assault, burglary, larceny, motor vehicle theft and arson. Of the

Police Tip of the Month

Identify theft is becoming a bigger problem day by day. Investing in a good paper shredder could save you time and money in the future. It is wise to shred all the credit card applications you get in the mail and anything that has your personal information on it. It is easier to prevent identity theft than to fix your damaged credit later once it has happened.

21 Part I crimes committed in the borough, none were burglary, 9 were shoplifting and 9 were other crimes.

There were 12 adult and no juvenile arrests made for felony and misdemeanor violations.

Edgewood officers wrote a total of 175 traffic citations, and 209 parking citations. No arrests were made for driving under the influence. There were four vandalism/criminal mischief complaints and two narcotics offenses.

Officers also responded to 13 false alarm calls, took 226 reports, responded to 14 public nuisance complaints, wrote 8 non-traffic citations and responded to 18 calls for medical assistance.
