## Council Notes

### A Look Back As We Move Forward

**Edgewood 2010 Budget Review:**  
The borough collected an impressive 98.5% of its real estate taxes and over 109% of expected earned income taxes. Occupational privilege taxes in the borough increased 80% from 2009. The borough also collected increased revenues from athletic fees, advertising, rental properties (train station and Koenig Field apartment) and reimbursement for train station renovations incurred over the past couple years. Lower than expected revenues for fines and fees had a minor impact on the budget. Overall, the borough collected 105% of budgeted revenues for the year.

Department heads and borough employees worked hard to cut costs whenever possible and enabled the borough to come in under (an already tight) budget. Expenditures came in at or slightly under budget for legislative and administrative departments. Legal expenses increased due to many contract renewals and other legal

matters. Police, fire, and traffic safety departments all came in slightly under budget. Facility maintenance was over budget due to train station renovations which are now complete. Public Works department came in 20% under budget due to a worker's compensation claim. Recreation expenses were 40% under budget with no cuts in athletic programs. Public works equipment and snow and ice control were slightly over budget for 2010 due the extreme winter and the purchase of a new snow plow. Newsletter costs decreased by almost 20% from 2009. Overall, expenses for the year came in at 97.55% of budget.

The borough ended 2010 with \$207,309.53 in the general fund, which will allow current bills to be paid as tax revenue does not generally come in until after the first quarter. In January 2011, the borough transferred \$67,698.70 from the general fund to repay part of monies owed the sewer fund.

2011 brings new economic challenges as costs continue to rise in utilities, insurance and mandated state and federal programs, with increasingly limited state and federal funding. In anticipation of this, the roll out of the garbage and recycling fee in 2011 became necessary in order to maintain the current tax rate. We plan to address extensive maintenance issues in the borough building and increase our street paving program in 2011.

Please read the April issue of the newsletter for more information regarding the 2011 budget and borough finances.

Please see the graph (next page)

for a detailed look at expenditures by department.

## EVFD

Effective January 1, 2011 the International Building Code requires that a sprinkler system be installed in all newly constructed one and two family dwellings. The cost is approximately five dollars a square foot, which is about the same as carpeting. Although smoke detectors are a great warning device they do not extinguish a fire. In new construction, lightweight materials are used to keep the costs down. This type of construction is prone to early collapse under fire conditions. Flame is the activator, not smoke. Only the sprinkler head involved activates, not the entire system.

Sprinklers have been around for many years and have saved lives and property. In Edgewood we have had two incidents, that I am aware of, in which a sprinkler head was activated. Both times were in commercial occupancies. Had it not been for the sprinkler we would have had a much worse outcome. For more information on home sprinklers please visit [www.homefiresprinkler.org](http://www.homefiresprinkler.org)

## \*A Note From Your Council

There has been concern expressed by residents who have read in the newspaper that Edgewood is merging its police department with Forest Hills. That is not true. Edgewood Council has made no plans to merge our police department. We are interested in participating in a study looking at policing in our area and how we might support ways of sharing resources to keep policing costs down.

## Police Report

The Edgewood Police Department would like to share with you ways to prevent burglaries - There are many things that citizens can do to make their home and neighborhood safer. One of the most important things that you can do as a citizen it to be observant. You know your neighbors, vehicles that belong in the area, and when something just looks wrong.

Always lock your windows and doors. You may think that your second story window is inaccessible, but is there a ladder lying around? A chair? How about on your neighbors property?

Many of the burglaries that we read about or see on the evening news have happened during the daytime. Leaving a T.V., radio, or light on may lead the perpetrator to believe that someone is home. The cost of powering a small radio pales in comparison to replacing your valuables.

Alarm systems are a valuable way to protect your home and family, even from fire. You may also have yard signs and window stickers letting criminals know that there is an alarm in use.

If you can see your big screen T.V. as you pull into your driveway, so can everyone else. It is a good idea to try to keep your valuables out of sight. This holds true with the win-

dows on the sides of your home as well. Motion lights are an excellent source of protection. Criminals are more hesitant when a light is turned on. These are just a few of the many things that you can do to protect yourself, your family, and your home. Edgewood Police Department officers have always tried to be proactive and share information with the citizens that we serve. We would like to offer residents an opportunity to meet with an officer at their residence. The officer will walk around the exterior of your home and provide pointers on what can be done to make your home safer. If you would like to meet with an officer, please contact officer713@edgewoodboro.com to schedule an appointment.

### Nixle Community Information Service

Edgewood Borough has begun using a new system which will allow our residents to have immediate access to notable Edgewood Police events, safety, or community information. Borough officials are now able to send messages through the Nixle Community Information Service, which basically is a way of passing along important information. The information officials put into Nixle will be delivered to you instantly by cell phone, text message and/or email. The information will also be online at [www.nixle.com](http://www.nixle.com). In order to receive the messages, you must register with Nixle. To register, go to the Borough website

<p><b>EDWARD J. I. GANNON</b> ATTORNEY AT LAW</p> <p>7405 Hutchinson Avenue Pittsburgh, PA 15218</p> <p>(412) 731-5155</p>
--

([www.edgewoodboro.com](http://www.edgewoodboro.com)), which has a link to the Nixle website.

Once on the Nixle website, it will walk you through the simple registration process. You choose whether to receive the information on your computer or your cell phone. There is no cost for our residents to utilize this system. Edgewood Police officers have already utilized this system to relay information on the recent armed robberies in the Regent Square area, as well as seizure of a substantial amount of marijuana stemming from a traffic stop. There is a brochure available at the Borough Building about the Nixle System with detailed information.

Please talk to your neighbors about this new system so that as many people as possible can register and have access to important Borough information.

The Edgewood Police Department responded to and handled 1,655 calls for service in February 2009. There were 292 incidents reported, 148 complaints received and 12 accidents investigated, one of which resulted in personal injury, and 11 resulted in property damage.

## Spotlight On Local Business

Loretta Zelenko has been a resident of Edgewood for 46 years, with 32 years experience as a real estate agent. Owning a business and residing here gives Ms. Zelenko a special knowledge of Edgewood's real estate needs.

Loretta observes many moves within Edgewood and considers Edgewood one of Pittsburgh's most stable real estate markets. One of the favorite parts of her job is to match people with their homes. You can just let her know what you're looking for and she will find it! She has even sold many Edgewood homes before they have come onto the market. Ms. Zelenko believes that Edgewood is a "real community" with many opportunities to become involved. One of Pittsburgh's best kept secrets.

Loretta's office space started out in the train station and she has since moved to 105 Maple Avenue, adjacent to Edgewood Primary. You can reach her with any of your real estate needs by calling (412)731-9300.

Ms. Zelenko is a member of the AEF ring of excellence, Greater Pittsburgh Association of Realtors, and has also been selected by Pittsburgh Magazine as a Top Agent in 2010 and 2011. This distinction is one that she is particularly proud of, as it comes based on feedback from other agents, attorneys, and mortgage companies. Only 7% of realtors in the Greater Pittsburgh Area receive this recognition.

## School News

Two students from Edgewood Elementary were honored with Wolverine Spirit Awards at the January 19th Legislative School Board Meeting. Sixth grader Robert Carr was nominated by his teacher, Ms. Karen Schollaert, because "he has an enthusiasm for learning and is a strong positive leader." Ms. Schollaert also said that "Robert volunteers readily, enjoys projects and activities, and is kind to all."

The second award winner for the night was Khaliqa Spencer, a fifth grader. Khaliqa was nominated by her teacher Ms. Lauren Weisser. Ms. Weisser said that Khaliqa "exemplifies 'I AM GREAT' every day. She is very respectful to everyone in the building, especially adults. She is an 'A' student who always tries her hardest and enjoys learning new things. Khaliqa is also a team player because she is always willing to help others and is a

very encouraging classmate."

Superintendent Dr. Walter M. Calinger, along with Edgewood Principal Mrs. Janet Wilson Carter, presented framed certificates and Borders gift cards to the Wolverine Spirit Award Winners.

# EDGEWOOD COMMUNITY ORGANIZATIONS

The Heinz Endowments has awarded the Woodland Hills School District a \$200,000 grant to conduct a two-year pilot program to educate and empower students regarding healthy lifestyles. The grant will be used at the High School and our staff is currently conducting research to aid in the development of the program. Details about the program will be available this summer. We anticipate that the program will begin in 2011-12 school year. The initial plan for the program is to focus on healthy nutrition, life-long exercise, stress- reduction, and positive self esteem. A health centered life-style approach will focus on the whole person. It is the project's overall goal to help teenagers demonstrate an understanding of healthful behaviors that they can easily incorporate into their lives and which will enhance their growth and development.

The Woodland Hills School District is proud to be a recipient of this grant and appreciates the opportunity to help the Endowments actualize its mission.

The foundation supports efforts to make southwestern Pennsylvania a premier place to live and work, a center for learning and educational excellence, and a region that embraces diversity and inclusion.
