# Council Notes

## MEET THE CANDIDATES—DON'T FORGET TO VOTE ON ELECTION DAY, NOVEMBER 3RD!

Meet the candidates running for Borough Council. All are running for a four year term.

### George Fuller (R)

It has been my privilege to serve on Council for the past four years. Our community has many tremendous assets, such as the excellent police and fire departments, Borough staff and department of public works, the library and the Edgewood Foundation, to name a few. There is a sense of community and pride, living where we do. When I am asked where I live, I do not say Pittsburgh, or the eastern suburbs, I say "Edgewood." The current Council has done an outstanding job, with much effort, to preserve and protect our Borough assets in a difficult economic climate. I think that it is imperative to continue to strive to keep Edgewood a unique, safe place to live and play. If elected, I would like to continue the effort to preserve our sense of community, while continuing to operate with fiscal restraint. The experience of having served on Council enhances my candidacy. I would also like to invite everyone to attend a Council meeting to observe their local government in action.

### Pat Schaefer (D)

I've lived in Edgewood for over 25 years. I have been honored to serve the community as a member of Borough Council since 2000. There is so much that our community has of which to be proud. We have a responsive and dedicated administrative staff; a well-trained and professional police force and one of the most involved volunteer Fire Departments; both who genuinely care for the well-being of Edgewood residents and who work cooperatively with surrounding departments. Edgewood has community groups like the Edgewood Foundation which partners with Council for community programs like Community Day, Oktoberfest and grants for Borough improvements like Koenig Field and soon Dickson Park, the Edgewood Garden Club and most recently Friends of Dickson Park. Edgewood helps to support the Edgewood Symphony and the C.C. Mellor Library. Our real estate values are stable and increasing. And we have a walkable, friendly neighborhood. I am a fiscally conservative, liberal Democrat. I believe we accomplish more by working together as neighbors, on Council and with our sister communities. I am a Past Chair of the Congress of Neighboring Communities (CONNECT); the current Chair of 3 Rivers Wet Weather. I participated in the Institute of Politics panel for recommendations for a more representative governing Board of ALCOSAN and am a member of WoW (Women of Wet Weather). I am past Chair of the Local Government Academy and a two time graduate of the Local Government Academy Newly Elected Officials course. I am most proud of my children, Katie Peters (now a teacher in VA) and Andy Peters (who will soon be in MS for basic training in the Army Reserves). Both are graduates from the Woodland Hills School District. I live on Lloyd Avenue with Pawpy, the dog, and Russell, the cat.

Also running for Borough Council is Marc Wallace, Democrat.

# Regent Square Concrete Man

Frank Mariani, Jr. introduces himself with a personable and kind personality, and he seems to have a nearly constant smile on his face. Frank knows every street, curb, stair and sidewalk in the Regent Square area, and has only wonderful things to say about our neighborhood. "I'm really lucky" he says, "I get to work on my own street!"

Frank worked for the Union for 35 years and he is now officially retired, although he's been running Regent Square Concrete Man with four employees for the past ten years. Frank takes on concrete jobs both big and small, so long as they're within the East neighborhoods of Pittsburgh. Even Frank's t-shirts proudly boast "I Live and Work in the Square".

Regent Square Concrete Man advertises only with the Edgewood Newsletter, and relies mainly on (very positive) word of mouth. Frank was very humble about his extremely high reviews on Yelp and Angie's List. "People tell me that (I have good reviews) and that's great, but we just go into every job with good intentions and we try to work with everyone's budget."

Because of his retirement status, Frank considers his business a labor of love. He's not overly concerned about upselling or taking on the most lucrative jobs. The Regent Square Concrete Man simply loves his neighborhood and is happy to use his work to help his neighbors and make his community beautiful.

"I don't think you'll find a better neighborhood in the City of Pittsburgh", Frank says with a smile. "It's a great community and a great place to live." Frank Mariani truly is the Regent Square Concrete Man, paving the way with friendship all over the neighborhood.

## Police Report

### EDGEWOOD Community Day 2015

The Edgewood Police Department had the pleasure of giving away some great prizes for the Children's Raffle this past Community Day. The prizes included headphones, pop-up tent, popcorn popper, boom box, scooter, and gift cards for The Pittsburgh Center for Creative Reuse, Toys R Us, and GameStop. The grand prizes this year were two bikes and a Kids Edition Kindle Fire HD7. Congratulations to all the lucky winners! We would like to thank Edgewood Towne Centre Kmart and the Pittsburgh Center for Creative Reuse for their generous donations. We would also like to thank our citizens for stopping by our booth and supporting their Police Department!

#### HALLOWEEN SAFETY

Please do your part to make this Halloween fun and safe! Make sure your children's costumes are visible at night and have reflective material. Consider carrying glow sticks or lights while trick-or-treating. Make sure costumes are short enough so they are not tripping hazards. Halloween is typically one of the most exciting occasions for young children, so remind your kids to look both ways before crossing the street. And of course, parents—check sweets before children eat them! We wish everyone a safe and happy Halloween!

#### YELLOW CURBS

Officers have noticed an increase in residents and visitors parking along yellow curbs. It may not seem like a big issue, but it is a very dangerous practice. There are several reasons why the yellow curbs exist. The main reason for painted curbs is our resident's safety.

As you approach an intersection, it is vitally important to have a clear line of sight of oncoming traffic. One of our biggest concerns is being able to get an emergency vehicle to a scene when needed without delay. Edgewood streets can be very tight with parked cars, and it can be difficult, if not impossible to get a fire truck to a scene if cars are parked illegally. Recently, Eastern Area Ambulance purchased a new ambulance that is much larger than a traditional ambulance. This ambulance needs all the room it can get to negotiate around our streets.

Another concern for the illegally parked vehicles is pedestrian traffic. The yellow curbs are painted up to the crosswalks, as well as both sides of the crosswalks. If a vehicle is parked illegally, it will make it difficult for a pedestrian to cross safely, and for traffic to see the pedestrian.

Please obey all traffic and parking laws, as we will be stepping up enforcement on all violations.

### Tip of the Month

*As the leaves begin to fall, please remember to leave all of the storm drains open and free of debris. It can be very dangerous during a heavy rain if the water has nowhere to go. This can lead to flooding and property damage. If possible, rake your leaves to the end of the yard for pick up, and try not to place them in the roadways.*

### BOY SCOUTS

Troop 23 had a very busy summer. In June the troop spent a week at Heritage Scout Reservation in Farmington, Pennsylvania. The scouts enjoyed hiking, kayaking, sailing, and other outdoor activities, as well as earning merit badges in areas such as swimming, archeology, pioneering, woodcarving, and basketry. Several of the scouts were able to participate in whitewater rafting on the Youghiogheny River! This year two of our scouts (Aidan Demkee and Jake McFarland) along with two adult leaders (Keith Kondrich and Vagel Keller) completed the mile swim on a very cool summer morning. It was very encouraging to see our friends complete such a goal after all their hard training.

In August a contingent of Troop 23 scouts and adults leaders completed the trip of a lifetime. They spent 12 days backpacking through the rugged northern New Mexico wilderness of Philmont Scout Ranch. Philmont is 214 square miles of heaven for adventurous scouts! They brought back hundreds of beautiful photos and many memories.

The trip to Philmont required much planning and training. In order for everyone to be prepared, several “shakedown” trips were taken in western Pennsylvania during the spring and summer. In addition, Troop 23 was blessed by a benefactor who really helped make the trip possible for our scouts by their generous donation to the troop. The scouts who attended Philmont Scout Ranch were: Aidan Demkee, Adam Hoener, Andrew Klabnick, Teddy Kondrich, Owen Maue, Jake McFarland, Liam Sullivan, and Tyree Washington. The adult leaders for our trip were: Mark Demkee, Paul Klabnik, John McFarland, and Vagel Keller.

At this year’s Edgewood Community Day the troop gave dutch oven cooking demonstrations by our very own Cast Iron Chefs. The menu included chili, chocolate cherry cake and mountain pies.

In October the scouts of Troop 23 and their families will celebrate the end of the summer season with a picnic at Camp Guyasuta. Scoutmaster Charles Huse will preside over a Court of Honor where merit badges and rank advancement will be awarded. In November the troop will be taking our annual trip up to Erie for a weekend of steelhead fishing. Let’s hope this year brings us better luck!

Boy Scouting is for boys 11 to 17 years of age. Boys also may become Boy Scouts if they have earned the Cub Scouting Arrow of Light Award and are at least 10 years old or have completed the fifth grade and are at least 10 years old. Boys who are interested in joining the Troop can attend our meetings every Monday night at 7 p.m. at the First Presbyterian Church of Edgewood located at 120 East Swissvale Avenue.

## EDGEWOOD HISTORICAL SOCIETY NEWS

We continue to work toward developing a web site and are slowly making progress.

We welcome a new member Mr. Jason Cato. Jason is a resident of Edgewood and a writer for the Tribune Review newspaper. He has agreed to help us with research and development of a website along with electronic needs for the society.

This year is the 200th anniversary of the birth of Jane Grey Cannon Swishelm. She was a resident, at one time or another throughout her life of Wilksburg Village and had a farm with her husband in the areas of Edgewood and Swissvale. She was born December 6, 1815. Throughout her life she was a journalist, publisher, women’s rights advocate, outspoken abolitionist and a nurse during the civil war credited with singlehandedly saving 182 wounded union soldiers in Fredricksburg. She was a friend of President Lincoln’s wife Mary Todd Lincoln. We are planning to have some type of celebration of her life and birthday to commemorate this famous local resident and her achievements. Interested persons should contact the society for information.

Executive meetings start monthly in September on the second Wednesday of each month at 7 p.m. Locations to be announced.

Listen to the melodic sounds of the Edgewood Symphony ensemble as you make new friends. Or bid on fabulous silent auction items after you peruse the beautiful artwork of one of our local Edgewood artisans.

There is something for everyone at this year's event. If wine isn't your thing, we'll also have beer. If you prefer cheese with your wine instead of chocolate, we'll have that too.

It's a wonderful event that brings our neighbors and friends together. We hope you'll join us. Tickets are \$30 in advance and \$35 at the door. Register on our website or by completing the form in this newsletter.

Please consider volunteering for the event or donating to the silent auction.

*On the Edge...*  
 In late spring, four couples from Edgewood met for a lovely south Florida dinner at Julie and Rob Crolius' beautiful new home in Tequesta, Florida. Current neighbors, Gary and Greer Mulholland and Harry and Lois Winslow, also joined former Edgewoodites, Jan and Leslie Swenson. Gary, Lois, Jan and Julie were all past members of the Edgewood Foundation, with Jan and Lois being two of the original founding members.

Most lawn and garden merchandise are products that are sold to control disease, fertilize, or kill some sort of pest. Although these products may keep the lawn green, many have been shown to have adverse effects on human and animal health, in addition to causing damage to the environment. Pesticide-free lawns limit exposure to potentially harmful toxins and are a safe way for children, adults and pets to enjoy the outdoors. ## A note from the tax collector...

The 2015 Edgewood Borough Real Estate tax is due at penalty until December 15. After this date it will be turned over to the delinquent tax collector.

The 2015 Woodland Hills School tax is due at face until October 31. If you are paying in installments your second installment is also due by October 31. The third installment will be due by Feb 28, 2016. Please remember that the second and third installment coupons are on the same paper—no other coupons will be sent out. It is your responsibility to remember when the third installment is due.

I would like to remind everyone that when you are making out your check for payment to please make sure the check is legible and written for the correct amount. If the bank can't read it, it will be returned. If it is at the end of the collection period and I have to return it to you, you will have to pay the penalty amount.

If a mortgage company is no longer paying your taxes, call the Allegheny County Treasurers office at 412-350-4100 and change the mailing address where your tax bill is sent.

The Borough tax comes out in April and the school tax comes out the first of July. If you do not receive your bill, call my office at 412-731-0200. Remember it is your responsibility to make sure your taxes are paid in a timely manner.

My office will be closed October 28 through November 4. All payments due by October 31 can be mailed or placed in my mail slot and will be taken care of upon my return. The Borough office staff cannot give you a receipt for any taxes that are left with them.

Thank you,  
Maureen Smith,  
Tax Collector
