From The Manager's Desk

We're entering the second half of summer and as we finish up our list of yard improvements and projects it's a good time to check out your sidewalk and make any repairs before cold weather sets in. Edgewood Borough Code requires property owners to maintain their sidewalk and curbs in a safe and usable condition free from obvious tripping hazards. Homeowners with sidewalks affected by borough street trees should contact the borough office (412-242-4824) to make arrangements for a visit by the borough arborist. Only the arborist can determine if the roots can be safely trimmed to help prolong both the tree and sidewalk.

Edgewood Recycles

Some basic notes on recycling:

- 1. RECYCLE ONLY PLASTICS # 1 and # 2.** New limitations on acceptable materials means #3-#7 are no longer acceptable and will be discarded. Make sure containers are clean, dry, and lids are removed.
- 2. DO NOT PLACE RECYCLING IN PLASTIC BAGS.** Bagged recyclables will NOT be recycled. Bags tangle and damage the sorting equipment.
- 3. MAKE SURE RECYCLABLES ARE CLEAN AND DRY.** Food material CANNOT be recycled! That means old pizza boxes covered in grease can't be recycled. And make sure that jar of peanut butter has been cleaned and dried before putting it in your blue bin!
- 4. YOU CAN RECYCLE ELECTRONICS AND BATTERIES IN EDGEWOOD!** Just call Republic Services at 412-429-2600 or visit their website at RepublicServices.com to set up a Hard-To-Recycle pickup at your home. You MUST arrange a special pickup for these items, but it's very easy to do! Take advantage of this great program to get rid of your old electronics, batteries and light bulbs!
- 5. RECYCLING MAKES A DIFFERENCE.** We do calculate the tonnage of recycling in Edgewood each year, and there are HUNDREDS of tons of waste that bypass the landfill in favor of recycling! Keep up the good work, Edgewood!

SPOTLIGHT ON LOCAL BUSINESS

Neighborhood Realty Services

Maureen States

Maureen States has been the owner and broker at Neighborhood Realty Services in Regent Square since 2002. Neighborhood Realty Services is an independent, privately owned brokerage company of Maureen's own creation. She has been in real estate since 1979, now fully 40 years. "It's all I've ever done!" she says. From the stately office and professionalism, one might think she's a franchise representative, but her business is 100% her own. The most important part of her business is working directly with buyers and sellers.

Maureen has had real estate dealings all over Pittsburgh, from Irwin to the airport area, Cranberry and Dormont, but her heart and her office are at home in Regent Square. "I love this neighborhood," she says, "People actually talk to each other and care about each other." Walking down the sidewalk to chat is her favorite way to relieve the stress from her work. Of course, the unique homes of Edgewood and surrounding areas are interesting—the 100 year old structures have been retrofitted to reflect the changing styles and needs of the time, which make for beautiful one-of-a-kind features. But Maureen insists that real estate is a "people business" and that "the house comes with it."

Maureen takes her "People Business" very seriously, and is always examining how to improve it. Her reputation is well known in Edgewood, but she refuses to take it for granted. "You always need to earn your business" she says. Maureen is hard-working as well as warm—stepping out of our interview to gush with a resident about their home and their life, and give words of encouragement and kindness. People's stories and lives are not just fascinating for her, but she seems to want to find a way to help and encourage the people she meets.

Maureen says real estate is a people business because people look for places to live their lives, not just hang their hat. Whether you're a gardener, or you have a lot of books for a library, or if you want to be surrounded by green trees, you don't just look for any building, you look for a home you love. So real estate is much more about emotions than it is about the structure. The structure will be a lot of work—improvements and repairs and constant upkeep—you have to absolutely love your home to be able to devote the energy it requires.

Before I could even ask her, Maureen professed her love for the Regent Square neighborhood because people know and care about their neighbors. People will shovel walks for others, and will happily lend a hand. "You could knock on any door," she says "this is a very special community". Maureen hopes that sense of community and support will continue for years to come. Her hope for Edgewood's future is that it continues to be a supportive and community oriented place to live. We at the Borough feel the same way!

SCHOOL IS BACK IN SESSION

It's that time of year again! Time to go school shopping! Wake up the kids, way before they want too, and send them back to school!!! It's always an interesting time, the kids are excited to see their friends and parents are excited to get back into a normal routine. There is always a little anxiety on what the new school year will entail.

The focus of the Edgewood Police Department is to make sure all of the children get to school safely, remain safe in school, and get home safely.

Traffic is the major issue when it comes to keeping everyone safe. There will be school buses traveling all around the area and making frequent stops. Drivers need to pay attention when the buses activate the yellow and red lights. The fine for failing to stop for a school bus's activated red signal is \$250, plus costs, and could result in the loss of your driver's license. The monetary loss could be devastating, but nowhere near as devastating as injuring a child.

All school zones are clearly posted and have a 15 mile per hour speed limit. If you choose to exceed this speed limit, you will be subject to greater fines and penalties.

The Edgewood Police Department takes the safety of our school children very seriously! There will be extra patrols in school zones, both in the mornings and afternoon. We urge everyone to please slow down and pay attention! If you do not, we will be forced to remind you.

Edgewood Volunteer Department

Once again, the members of the Edgewood Volunteer Fire Department will be grilling up our famous chicken and rib dinners during Community Day. Dinners are \$12 and include corn on the cob and a roll with butter. We will also have hamburgers and hot dog dinners on hand.

Back by popular demand will be our dunk tank. Come dunk your fire chief, or community members.

Lastly, you can't forget about the beer garden. Come try several different craft beers that we will have on hand. You can purchase a wristband for \$20, which allows you to drink all day, or have a single beer for \$5. MUST present proper ID upon ordering.

All events start around noon and all proceeds benefit the EVFD.

COMMUNITY ORGANIZATIONS

Brinton Road Clean Up:

Saturday, August 17, 9 a.m.-12 p.m.

Please help us do our part in our cooperative agreement with Braddock Hills and Edgewood DPW. We meet up at the top of Maple Avenue in the parking lot of Guardian Storage.

Brinton Road is one of the main gateways to our community. That's why each year we schedule clean-up days and invite volunteers to help us keep the neighborhood looking wonderful!

Each organization makes sure our neighborhood corridor is free of debris for two months of the year. Garbage bags, gloves, vests and snacks will be provided for everyone who volunteers. Adults only at this clean-up, as this area is too busy to keep children safe while helping.

Refer to our website, www.edgewoodfoundation.org for more details!

Any questions or suggestions? Email us at cleanup@edgewoodfoundation.org

Summer Singers Concert

Saturday, August 17, 7 p.m.

Voces Solis presents the 7th annual "Summer Singers" in concert in the (newly air-conditioned!) FPCE Sanctuary. With over 70 members this year, the group will present a wide range of high-quality choral selections—a cap-

ella as well as with piano and with organ—including pieces by Dan Forrest, Ralph Vaughan Williams, Arvo Part, James MacMillan, and more.

Over the past 7 years, the Summer Singers have performed mostly in the Mt. Lebanon, Carnegie, and Coraopolis areas, so we're pleased to welcome them to the east end of the city with this concert. Voces Solis, a premier chamber choir, performs a diverse repertoire of challenging and innovative choral works. Composed of professional musicians, music educators, and experienced choristers, they are committed to providing an educational experience for their members and audiences alike. Summer Singers is an annual outreach program organized by Voces Solis to bring busy musicians together during a time when schedules are more relaxed, offering a chance to perform quality music together. We hope you'll join us as we host this concert of beautiful choral music!

Suggested donation: \$10 at the door.
