## *2027 Parking Permits*

Resident on-street and visitor on-street parking permits go on sale Monday, December 7, 2026. Permits can be purchased online from the borough's website: Edgewood.pgh.pa.us and clicking on the Parking Permits button on the homepage. Permits bought online will be mailed to the purchaser.

Permits for the Ivy Street, Laurel Street, Elm Street, Oakview Avenue, and Willow Place off-street parking lots will be made available for purchase based upon requests starting on Monday December 7, 2026. Residents interested in purchasing an off-street lot permit should submit their completed permit application to the borough on or before Monday December 7, 2026. A lottery will be held if more applications are received than there are available parking spaces. No resident will be issued a second permit for a lot until all initial requests are processed.

## *Memorial Park Grant*

The borough was recently awarded a $200,000 Local Share Account (LSA) grant to fund improvements to Memorial Park. Our thanks to Senator Jay Costa and Representative Abigail Salisbury for their steadfast support on this application. The proposed improvements include hardscape rehabilitation, new sidewalks, benches and landscaping. Design and construction will occur over the next 12-18 months.

## *Koenig Fieldhouse Grant*

The borough was recently awarded $83,000 to fund the construction of two ADA compliant bathrooms on the main level of the Koenig Fieldhouse. The construction of the bathrooms is part of a larger effort to transform the space into a more modern space for meetings, community events and parties. Planning and design will occur throughout 2027 with construction tentatively slated for 2028.

# Edgewood Borough Police Department

## *Hello Amazing Edgewood!*

As someone who is still relatively new to Edgewood, I have had the unique opportunity to see this community through the eyes of a newcomer. And I must tell you, what I have seen is very special.

When you are new to a community, you notice things line parks, businesses, homes and all the little things that give a place its character. After conducting foot and bike beats throughout Edgewood, attending community events, conducting business checks, and simply talking with all of you, I have learned that what really gives Edgewood its character is its people.

Every day, I am struck by how often people stop to say hello, wave from their porch, introduce themselves, or simply take a few minutes to talk. I met residents while they were walking their dogs, working in their gardens, playing on Koenig Field, grabbing a coffee, or simply going about their day. The conversations we have shared have given me a perspective on why Edgewood is such an amazing town.

What exists here is a community filled with love and compassion, where people genuinely care about their neighbors, their Borough, and what happens here. And most importantly, they are willing to be involved.

Coming from a much larger city and police department, I truly appreciate these personal connections that I know make this community stronger.

In closing, while Edgewood is a beautiful community, the buildings, streets, parks, and trees are not what make it special.

All of you do.

Stay Awesome, Edgewood!

## *Edgewood Vacation Watch Program*

The Edgewood Police Department is now offering a Vacation Watch program. Are you thinking about traveling? If you are an Edgewood resident and are going to be out of town, you can let us know so we can pay special attention to your home and keep an eye out for suspicious activity at your residence.

If you wish to participate, you can request a form or access it online under 'Forms and Downloads' on the Edgewood Borough website, **Edgewood.pgh.pa.us**. You may email the completed form to the Chief at **policechief@edgewoodboro.com**.

Please note that these checks are performed as call volume and operational staffing permit, and do not constitute a 24-hour watch or a guarantee against property loss or damage. Please ensure that all parts of the form are accurate and complete.

## EDGEWOOD RECYCLES

### *Recycling Reminders*

Through the holiday season, many of us will acquire a larger than usual amount of cardboard to recycle. As a reminder, any cardboard/paper products included with recycling should be flattened. All cardboard boxes need to be broken down and larger boxes may need to be cut to fit into the recycling bin. This helps ensure that these items are able to be efficiently collected and recycled properly. Large boxes or piles of boxes that are not flattened may not be able to be collected. Also, only clean, dry cardboard/paper products can be accepted. In addition, all recycled items should be placed loosely in a properly marked recycling can. Bagged items will not be accepted.

# EDGEWOOD RECREATION

## Sports

### Field reservations

Groups or individuals engaged in an organized (i.e. leagues, social clubs, amateur associations, etc) sporting activity are required to apply for and receive a field use permit. Individuals or small groups wanting dedicated space are encouraged to make a reservation to ensure access, especially during peak times. Otherwise, field space/courts are first come, first serve.

Scheduling preference will be given to Edgewood residents and then to other leagues, groups, clubs and associations. The public may use all other parts of Koenig Field at any time that are not reserved.

Reservations are accepted from April 1-November 15. The tennis/pickleball courts, restrooms and water fountains are closed to the public outside of the dates listed above. Other areas of the field may still be used for off-season personal and recreational use. Edgewood Borough withholds the right to make changes to availability of any part of Koenig Field.

The regular season begins in early January. Practices will take place one weeknight evening each week. Games are held Saturdays, according to Division.

We are still looking for volunteers, especially coaches! Basketball experience is not required, we just need good role models role model to help kids stay active and have fun! CLEARANCES ARE REQUIRED.

# Woodland Hills School District

### *Welcome to Edgewood Elementary STEAM Academy: Meet Assistant Principal Angela Evans!*

The Woodland Hills School District would like to warmly welcome Ms. Angela Evans as the new assistant principal at Edgewood Elementary STEAM Academy.

A Pittsburgh native, Ms. Evans is a graduate of Schenley High School and Duquesne University. She earned her master's degree and principal certification from Point Park University. Before joining Woodland Hills, she spent 15 years in the Shaler Area School District, where she began her career as a music teacher before moving into school leadership.

Ms. Evans brings a strong background in PBIS, student support, equity, inclusion, belonging, and multi-tiered systems of support. Most importantly, she brings a genuine love for elementary students and a passion for creating school communities where every child feels seen, known, heard, and supported.

*An interview with Ms. Evans is available on the district website at* ***whsd.net****.*

### *Edgewood students participate in Phipps Eco-Challenge*

On Tuesday, September 22, a group of students from Edgewood Elementary STEAM Academy's gifted classes spent the day at Phipps Conservatory participating in the Eco-Challenge. Students had the opportunity to compare and contrast the anatomy of a variety of fruits, solve a tropical rainforest "whodunnit," and complete a botany scavenger hunt. Mrs. Keresztury reported that the students had a great time! The Phipps Eco-Challenge provides students with a fantastic opportunity to immerse themselves in hands-on learning in a special environment. The Woodland Hills School District is thrilled to participate every year.

### *WHHS National Honor Society named 2026 Chapter of Distinction*

The Woodland Hills High School National Honor Society has been named a 2026 Chapter of Distinction.

Chapters of Distinction is a national recognition program created by NHS to honor chapters that demonstrate strong leadership, sound operations, and a deep commitment to the pillars of the National Honor Society. Woodland Hills earned this benchmark of excellence because of the hard work and dedication of the 2025-2026 NHS officers. These officers, now WH alumni, increased chapter communication, expanded service opportunities within our community, and modeled the pillars of NHS in their daily lives.

Congratulations to our recent graduates, the current members of the Woodland Hills High School National Honor Society, and program sponsor Mrs. Jodi Blasi on this recognition!

### *Woodland Hills music teacher honored by Pittsburgh Symphony Orchestra*

Congratulations to Dickson Preparatory STEAM Academy music teacher Ms. Katie Miller on being honored as a Pittsburgh Symphony Orchestra Champion of Music Education! Ms. Miller was recognized during the PSO's Opening Night Gala in September.

This is the second consecutive year in which a Woodland Hills School District music teacher has been honored by the Pittsburgh Symphony Orchestra, as high school teacher and band director Mr. Robert Carr was honored last year. Congratulations to Ms. Miller and the entire Woodland Hills School District's Department of Music! Thank you for all that you do to bring the joy of music to our students and our community!

### *Woodland Hills students take part in annual Eradicate Hate Student Summit*

In mid-September, a group of Woodland Hills High School students took part in the annual Eradicate Hate Student Summit. Part of the annual Eradicate Hate Global Summit held every year at the David L. Lawrence Convention Center, this event empowers high school students to bring change to their community and work to prevent hate-fueled violence. The Eradicate Hate Global Summit was founded following the horrific Tree of Life Synagogue tragedy in Squirrel Hill. As part of the student summit portion of the event, students from high schools around the region met to share their ideas about how to bring people together and address hate.

Participating students included Cayden Bristow, Tay'shaun Watson, Abigail Tucker, Claire Matta, Noelle Brubaker, and Jae Saunders. By attending the Eradicate Hate Student Summit, the Woodland Hills students were able to deepen their connections to other schools, exchange ideas, and bring fresh perspectives so that the Woodland Hills Student Summit—which will be held in March—can continue to empower and give high school students a voice.

# UPDATES FROM OUR ELECTED OFFICIAL

## Congressman Chris Deluzio

### *Housing you can afford is key to the American Dream*

Young people today often wonder if they'll ever be able to buy a home like their parents and grandparents did. Homeownership, building a family, and living the Good Life—these are some of the basic parts of the American Dream. Today, too many people across Western PA work hard and still struggle to buy a house, pay the mortgage, or pay rent.

That's why I'm fighting for more housing options for Western Pennsylvanians that don't break the bank—like the Penn-Lincoln Apartments in Wilkinsburg. These apartments are finally about to open after I helped deliver **deliver more than $1.6 million in federal funding** to bring them to life. Brand new housing that isn't a ripoff, with shops on the bottom floor in the heart of the borough—this is how we give a jolt to our local economy and young people hope for their future.

This year, I also **celebrated $184,000 in Flexible Impact Grants** for NeighborWorks to support first-time homeowners in Western PA. And Congress did something big this summer by passing the *21st Century ROAD to Housing Act* to rein in corporate landlords and build more housing. I was proud to support that bill, and I'm excited to see how it will lower costs and create more housing for people across America. Big bipartisan wins like this for all Americans are all too rare these days down in Washington. I know people all across our region think building decent housing you can afford is exactly what we need.

Rebuilding the American Dream is the fight of our lives. I'll keep fighting in Congress to make it a reality for everyone and to take on this cost-of-living emergency. As always, if you need any help with federal agencies—please contact my office. **My team is ready to help**.

Very respectfully,

Christopher R. Deluzio
